

CURRICULUM VITAE

Aleksandar Jovanović

PERSONAL DETAILS

Date and place of Birth: 12th June, 1988, Smederevska Palanka, Srbija

Citizenship: Serbia

Work address: Institute of Physics Belgrade,
Pregrevica 118, 11080 Zemun, Serbia

Tel: (office) +381 11 3713145

Email: aleksandar.jovanovic@ipb.ac.rs

Web: www.envpl.ipb.ac.rs

EDUCATION

2015 - Started doctoral academic studies in meteorology, Faculty of Physics, University of Belgrade

2015 - MSc in meteorology, Faculty of Physics, University of Belgrade

2014 - BSc in meteorology, Faculty of Physics, University of Belgrade

HONORS AND AWARDS

2015 - World Meteorological Organization Student Grant for academic excellence in meteorology

PROFESSIONAL POSITION

2017 - present: Research Trainee of Environmental Physics Laboratory, Institute of Physics, University of Belgrade

2016 - present: Teaching Assistant of Institute of Meteorology, Faculty of Physics, University of Belgrade

RESEARCH INTERESTS

- Microphysics and Dynamics of clouds and Modeling
- Atmospheric aerosol transport modeling
- Numerical Weather Prediction

PARTICIPATION IN RESEARCH PROJECTS AND RELATED ACTIVITIES

2011 – 2017: Investigation of Climate Change and Its Influences on Environment: Monitoring the Influences, Adaptations, and Offsets. Serbian Ministry of Education and Science, national research project III43007
